FOREWORD

This roster has been published as an aid for this office and the various offices and sections of this organization. It is to be used as a source of quick reference of personnel assigned this squadron.

Every effort should be extended by each office and section in maintaining this roster in a current status. Additions/deletions should be promptly posted.

Section heads, flight chiefs and supervisors can, and should use this roster as a tool to enhance timely training of replacement personnel in key positions and for timely accomplishment of Airman Performance Reports.
