Hello Friends,

Now that the plans are in place the only thing missing is YOU. Please read the attached letter regarding the 377th Reunion details.

When it comes to reunions we all know there are high school, college and military gatherings. I just had my 50th high school reunion last year and it dawned on me that next year will be 50 years since my first tour in Nam.

The 377th SPS is part of history and a part of your life. Whether you were with the 377th, 6250th or 6220th this reunion gives all of us a chance to meet, talk and laugh with our comrades. It doesn't matter if they came before you, stood with you or came after you. We can all sit with our fellow AP/SP's from Tan Son Nhut and joke about the good times. I think we all had some and talk about the bad times and challenges with those who understand and went through it with you.

This is your reunion, one you will not forget and a chance to rekindle old friendships and start new ones. If you have attended other reunions or never been to one then put the 377th Reunion at the top of your list. These are your comrades.

I would like to suggest that you invite your wife, friend or guest to join you so they can see what it means when we shake hands and say "Welcome Home".

If you have any questions, please contact me at tjcliff@consolidated.net or 724-742-0180. I look forward to seeing you at the Crowne Plaza North Hotel, Wilmington, DE next April.

Thank you and Welcome Home.
